

WOMEN'S NEGLECT SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or anything, backache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhoea.

These symptoms are but warnings that there is danger ahead, and unless heeded a life of suffering or a serious operation is the inevitable result.

The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

Miss Kate McDonald, of Woodbridge, N. J., writes:

"I think that a woman naturally dislikes to make her troubles known to the public, but restored health has meant so much to me that I cannot help from telling mine for the sake of other suffering women."

"For a long time I suffered untold agony with a uterine trouble and irregularity, which made me a physical wreck, and no one thought I would recover, but Lydia E. Pinkham's Vegetable Compound has entirely cured me, and made me well and strong, and I feel it my duty to tell other suffering women what a splendid medicine it is."

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

THE WOMAN WITH A BABY.

Mid the herd of human porkers crowded on the trolley car. All is selfishness and jostle, making age and sex no bar; Men collapse in seats and stay there, letting shrinking ladies stand. With a look of indignation—and a strap in either hand.

Yet there's one thing that you've noticed, never fails to make a stir—When a woman with a baby comes, they all make room for her. I have sat in stuffy coaches on a crowded railway train.

Listening to case-hardened travelers, who declared with might and main That they'd see the railroad company in hades' fiercest heat.

Long before they'd even think of giving any one a seat. Then, ere scarce they'd ceased their boasting, they would rise without demur—

For a woman with a baby, they must all make room for her. There is something sweet, madonna-like, in pictures such as that, And it makes the lowest ruffian feel like taking off his hat.

For it bears him back to boyhood when loving mother arms Closely clung to him and kept off e'en the least of earth's alarms.

So, no matter what his station, he will evermore defer That I had to call a truce. Once I dreamed I stood in heaven, just inside the pearly gate.

While to every new arrival good St. Peter said: "You're late; For the places all are taken and the harps are all in use.

Golden streets are just so crowded that I had to call a truce. Then a little tired-out woman lugged a baby into view.

And St. Peter said: "We're full up, but we'll find a place for you." —S. W. Gilliam, in Leslie's Weekly.

MILTON—DANIEL WEDDING IN MARIANNA.

A special to The Journal from Marianna says the wedding of Mr. W. J. Daniel, Jr., and Miss Elise Milton was a large and brilliant affair last evening at 5 o'clock.

Miss Ellen Beach Yaw, the soprano, who sang here some years ago under the auspices of the Clara Schumann Club, and caused a sensation by her marvelous range of voice as well as her excellent method, has recently made her debut in the Quirino Theatre of Rome, appearing as Lucia, and achieving a great success. Miss Yaw was advised to adopt a stage name, as her own name was deemed impossible upon the Italian stage. She was billed therefore as "Mile Elvanna," which everyone will admit is an improvement upon "Yaw." Mobile Register.

ROMAN LETTERS FOR JAPANESE

CHINESE CHARACTERS WILL BE DONE AWAY WITH IN THE NEXT DECADE.

By Associated Press. San Francisco, June 15.—M. Toyama, of Tokyo, a member of the Roman Character society of Japan, is here. This society is really a government commission, appointed to make a report on the advisability of the adoption of Roman characters in this country. While it is not known when this commission will make its report, M. Toyama says it is the belief of well-informed Japanese that within the next decade Chinese characters, which are now used in Japan, will be replaced by the less complicated Roman letters.

"Roman characters," continued M. Toyama, "are being used by the society in all of its correspondence." The society includes in its membership many government officials and notables of the Japanese empire.

BEAUTIFUL FAIR SITE

MISSOURI COMMISSIONER CONGRATULATES PORTLAND EXPOSITION ON ITS FINE LOCATION.

Special to The Journal. Portland, June 15.—The state commissioners from New York, Massachusetts, Illinois, Missouri and other states which are considered "away back East" by Oregonians have been loud in their praise of the Lewis and Clark Exposition since it opened, June 1. New York's commissioners have courteously tendered the use of their handsome state building for the holding of social functions during the fair.

The first such function was the banquet and reception to Vice-President Fairbanks and party on the opening day. Massachusetts will dedicate her building June 17. It was completed before the fair opened.

President Goode of the Exposition has received the following letter from Robert H. Kern, president of the Missouri commission, and as Missouri is known as "the mother of Oregon" it is regarded as a high compliment:

"As president of the Missouri commission, please allow me on its behalf to extend to you our hearty congratulations on the brilliant opening of your Exposition. We have all had the good fortune to attend the leading great expositions of this time, and with one voice we pronounce your site the most beautiful ever selected, your buildings magnificent and your exhibits as varied as we have seen, and as extensive as they should be. You will have visitors by the thousands from the East, for rarely is an opportunity given to people to see such an Exposition as you have and the marvelous scenery of the Great North-west, whose vast resources your fifty years of energetic Pacific slope life have only scratched."

Bay Excursion Next Wednesday. The ladies of St. Michael's church will give two bay excursions next Wednesday afternoon and night for the benefit of the church fund.

LIVES DEARER THAN OUR VERY OWN

How many lives dearer to us than our very own have been placed in needless jeopardy by failure to provide against and forestall the great suffering which too frequently accompanies and follows the bearing of children? That we would do anything within our power to obviate the possibility of such an happening is too patent to admit of question; therefore—mark well this fact—a liniment,

MOTHER'S FRIEND

by name, has been devised, whose function it is to prepare in advance the muscles and tissues intimately associated with parturition.

This liniment is for external application. By its use the parts are relaxed and enabled to withstand not only the actual strain brought to bear on them during anouchment, but also to rally from this ordeal and speedily regain their normal proportions and tonicity. It is not irritating to the most sensitive surfaces, and is applicable to all cases. It's not enough to call it Mother's Friend—it's the friend of the whole family. \$1.00, all druggists.
